Your Partner in Global Healthcare Supply

Zerra Pharma is a pharmaceutical exporter and global healthcare products supplier. We support importers, distributors, manufacturers and healthcare buyers with dependable sourcing and export coordination across our product categories.

This brochure presents two of our focus segments: Medical Devices and Active Pharmaceutical Ingredients (APIs).

Pharmaceuticals | Nutraceuticals | Cosmetics | **Medical Devices** | **APIs** | Regulatory Support

Why Work With Us

Export Focused

Our business is built around supplying international markets.

Wide Healthcare Range

Medical devices, APIs and related categories from one supplier.

Regulatory Support

Documentation guidance to help with import requirements.

Responsive Communication

Direct contact with our export team for quotes and enquiries.

Our Commitment

To supply quality healthcare products to our partners worldwide with clear communication, transparent documentation and dependable service.

MEDICAL DEVICES

Medical Device Export

We supply medical devices to hospitals, distributors and healthcare buyers. Product ranges can be discussed based on your market and requirements.

- Surgical & operating room products
- Diagnostic devices & test kits
- Hospital consumables & disposables
- Patient monitoring equipment
- Wound care & dressings
- Orthopedic & rehabilitation support

Sample categories shown. Specific products, specifications and availability are shared on enquiry.

APIs

Active Pharmaceutical Ingredients

We export APIs for pharmaceutical manufacturers and formulators. Share your requirement and our team will respond with details.

- Antibiotics & anti-infectives
- Analgesics & anti-inflammatories
- Cardiovascular APIs
- Anti-diabetic APIs
- Gastrointestinal APIs
- Vitamins & supplement ingredients

Sample categories shown. Specific APIs, grades, pharmacopoeial standards and documentation are shared on enquiry.

Simple Export Process

From first enquiry to shipment, our team stays in touch at every stage.

01

Send Your Enquiry

Share product name, quantity and destination country.

02

Receive Quotation

We respond with product details and pricing.

03

Documentation

We guide you on the export paperwork needed.

04

Order & Dispatch

Order confirmation, packing and shipment coordination.

Who We Serve

Importers • Distributors • Pharmaceutical manufacturers • Hospitals & healthcare buyers
